

Prof. Kaderali reached the Age of 70!

WG Science and Theology of the ev. Academy Villigst

On September 8th 2012 Professor Kaderali reached the age of 70 years. On the occasion of his birthday and his participation since 25 years in the Working group Science and Theology (at that time Science and Philosophy!) of the ev. Academy a meeting took place on 15th September 2012 at his home in Iserlohn.

After a welcome drink, coffee and croissants an exceptional wine tasting took place. This mainly led along his participation in the working group Science and Theology.
